General Charles P. Cabell Deputy Director Central Intelligence Agency Washington 25, D. C.

Dear General Cabell:

I would like to invite you to deliver the graduation address to the Fifty-eighth Class of the U. S. Army Strategic Intelligence School at 1330 hours on Friday, 27 October 1961.

This class comprises nineteen Air Force and six Army graduates of the Attache Course and thirteen graduates of the Strategic Intelligence Course. In the audience there will also be present nineteen Army and seventeen Air Force attaches-designate of the Fifty-ninth Class, who will be in their early weeks of training.

The subject of your address I would leave to your discretion. Such talks in the past have been approximately thirty minutes in length. All students are cleared for TOP SECRET. However, if your address is classified no higher than SECRET and you have no objection, the wives of the graduating attaches will be authorized and invited to attend.

I am hopeful that the school will again have the pleasure of welcoming you. Should you be able to accept this invitation, Colonel Clarence A. Langford, Assistant Commandant, will furnish a member of your staff any additional information desired. He may be contacted by calling Code 11, extension 63531.

Sincerely yours,

GARRISON B. COVERDALE Lajor General, USA Commandant
